Dear John:

On behalf of all who attended -- and many who were unable to -- heartfelt thanks for addressing our July lunch. If I recall correctly, almost everybody there volunteered comments or put questions to you. Everybody except Ian Mair, but I suspect he ear-bashed you at the bar afterwards.

I'm sorry I couldn't stay there with the two of you. Untypically, I had to dash off.

Cheers,

K.D.G.
