## INDEX

This Index to the Australian Book Review has been produced by the Footscray Institute of Technology Library.

Issues 67-77 for the period from February 1985 to January 1986 are covered by the Index.

Books reviewed are listed alphabetically in separate author and title sequences.

The author sequence gives the name of the author and full title of the work. The reference is to the issue and page number, followed by the name of the reviewer.

The title sequence gives abbreviated title, except in the case of books without authors for which the full title is given. The reference is to the issue and the page where the book is reviewed.
