TO: Aboriginal organisations.

Dear Sir/Madam,

Yappera is an Aboriginal Child Care centre, which was established 2 years ago. Over this time we have battled to survive and keep our heads above water. Our main problem has been a low financial income, which prevents us from running a proper Child Care Centre for our Koorie Kids and our future.

Yappera committee is asking for your organisation's support in making a donation of \$100 to greatly assist us in getting an effective and proper Centre operating.

We are also organizing activities culminating in an open day later this year.

Any further information regarding thid request, please contact me, Garry McGuinness, on 419 8247 - 419 3000, or Penny Bamblett on 419 5231.

Yours in the Struggle,

*Garry McGuinness*
