Dear,

Gary

It is with a great deal of optimism that I present to you this draft document on Economic Development for the Koorie people of Victoria. You are no doubt aware of the extensive consultation process that proceeded this document, I wish to add that the principal of consultation will be an on going process mapping an economic future for our people. To take this document to the final stage of being the Victorian Koorie Economic Development Strategy, I would welcome your comments on it's contents, omissions and structure by the end of January 1995.

You can send your comments to me care of Koorie Resource & Information Centre P.O Box 2013 Shepparton 3630 Ph: 058 31 3124
