Dear Stephen -

Here's another LIVES of the POETS item - I
just can't get a Dorothea Mackellar one right - but it'll
come to you ASAP. I hope this one's okay -

All the best -

Michael -

PS : I mentioned the Shelton drawing to
Eric Beach when I saw him yesterday
& he says "Shelton's a rumour -
everyone knows Shelton, even if they
don't know his last name" !!
