Dear John,

Thoughtful, interesting and challenging article of yours in The Age yesterday, comrade. I have treated the editors' document you brought out as a public statement, headed it 'Statement by the Editors of Australia's Literary Magazine' and sent it with covering letters to; Willis, Holding, Puplick, Evan Walker, Hadden Storey (Vic. Shadow Arts), John Richardson (Vic. Shadow Education) Lansdown (Chairman, Australia Post) and P. Clarkson (Vic. Arts Director). Too much to fax but copies here if you wish to copy.
