Dear Olive:

We are ~~trying~~ trying to find our way clear to publish your article, which really means trying to find the money to do so against the press of all other material we have. But I do think that if you can get it published in Brian's anthology that is the path you should take. It would free us to print something else, and would still see the reminiscences in print. Don Grant has kindly edited your article for us, as a matter of interest.

The poem has gone to the poetry editors.

With best wishes,

Dear Stephen Murray-Smith,

Brian Dibble, chief editor of Anthology being brought out by the FAW (WA) has included my article on Mollie Skinner. He wants to know source, dates etc of material published. As my article has been in your hands for over 18 months I assume at some time you intend to include it in Overland, so I would be glad if you could let me know which is the issue in which it will appear.

As I have just been told that it will be in the Anthology it should not come out until I suppose about the end of the year.

I am enclosing poem BALANCE SHEET which may be of interest to you.

Hoping to hear from you soon and that things go well with you and Overland,

Yours sincerely,

*Olive Pell*
